Mag Way	چراغ مگ وی خطی دایسی مشکی مات	10203904	230x26x36 mm	8720 Lm	48V	12W	سفید طبیعی	24°	4000 K ± 5%	>95
Mag Way	چراغ مگ وی خطی دایسی مشکی شفاف	10203905	230x26x36 mm	9560 Lm	48V	12W	سفید طبیعی	24°	4000 K ± 5%	>95

Mag Way Daisy

چراغ مگ وی خطی دایسی

The magnetic track light is a kind of light fixture installed on the track is composed of an aluminum shell, copper conductor and iron sheet. When the luminaire with magnet is close to the iron sheet in the track, the luminaire will be adsorbed on the track without any tools, and at the same time the luminaire is in contact with the copper conductor, then powered by an AC220-110V to DC48V transformer for the whole track lighting system.

MagWay Candle

چراغ مگ وی کندل

The magnetic track light is a kind of light fixture installed on the track is composed of an aluminum shell, copper conductor and iron sheet. When the luminaire with magnet is close to the iron sheet in the track, the luminaire will be adsorbed on the track without any tools, and at the same time the luminaire is in contact with the copper conductor, then powered by an AC220-110V to DC48V transformer for the whole track lighting system.

P-Type	نام محصول	SKU	Dimension	شار نوری	ولتاژ ورودی	توان	رنگ نور	زاویه پخش نور	دمای نور	CRI
Mag Way	چراغ مگ وی کندل	10203911	∅90*H86	270 Lm	48V	4W	سفید طبیعی	120°	4000 K ± 5%	>95

Mag Way Bar

چراغ مگ وی بار

The magnetic track light is a kind of light fixture installed on the track is composed of an aluminum shell, copper conductor and iron sheet. When the luminaire with magnet is close to the iron sheet in the track, the luminaire will be adsorbed on the track without any tools, and at the same time the luminaire is in contact with the copper conductor, then powered by an AC220-110V to DC48V transformer for the whole track lighting system.

P-Type	نام محصول	SKU	رنگ نور	Dimension	ولتاژ ورودی	توان	زاویه پخش نور	دمای نور	CRI
Mag Way	چراغ مگ وی بار	10203909	سفید طبیعی	Ø35*H257	48V	5W	24°	4000 K ± 5%	>95

MagWay Globe

چراغ مگ وی گلوب

The magnetic track light is a kind of light fixture installed on the track is composed of an aluminum shell, copper conductor and iron sheet. When the luminaire with magnet is close to the iron sheet in the track, the luminaire will be adsorbed on the track without any tools, and at the same time the luminaire is in contact with the copper conductor, then powered by an AC220-110V to DC48V transformer for the whole track lighting system.

P-Type	نام محصول	SKU	Dimension	شار نوری	ولتاژ ورودی	توان	رنگ نور	زاویه پخش نور	دمای نور	CRI
Mag Way	چراغ مگ وی گلوب	10203910	∅80*H76	285 Lm	48V	5W	سفید طبیعی	120°	4000 K ± 5%	>95

Accessory Linear Connector

اکسسوری مگ وی کانکتور خطی مشکی

The magnetic track light is a kind of light fixture installed on the track is composed of an aluminum shell, copper conductor and iron sheet. When the luminaire with magnet is close to the iron sheet in the track, the luminaire will be adsorbed on the track without any tools, and at the same time the luminaire is in contact with the copper conductor, then powered by an AC220-110V to DC48V transformer for the whole track lighting system.

P-Type	نام محصول	SKU	ابعاد	طول	ولتاژ ورودی	توان
Accessory	اکسسوری مگ وی کانکتور خطی مشکی	10203894	18x6.7 mm	1000 mm	48V	18W
Accessory	اکسسوری مگ وی کانکتور ال سفید	10203895	18x6.7 mm	1000 mm	48V	18W
Accessory	اکسسوری مگ وی کانکتور کورنر داخلی مشکی	10203896	18x6.7 mm	1000 mm	48V	18W

P-Type	نام محصول	SKU	ابعاد	شار نوری	ولتاژ ورودی	توان	Dimension	دمای نور	CRI
Mag Way	اکسسوری مگ وی درپوش ریل مشکی	10203898	1000x6.7 mm	1000 Lm	48V	18W	L26.6*W19*H6.7mm	4000 K ± 5%	>95

Mag Way End Cap

اکسسوری مگ وی درپوش ریل مشکی

The magnetic track light is a kind of light fixture installed on the track is composed of an aluminum shell, copper conductor and iron sheet. When the luminaire with magnet is close to the iron sheet in the track, the luminaire will be adsorbed on the track without any tools, and at the same time the luminaire is in contact with the copper conductor, then powered by an AC220-110V to DC48V transformer for the whole track lighting system.

P-Type	نام محصول	SKU	ابعاد	طول	ولتاژ ورودی	توان
Accessory	اکسسوری مگ وی ریل مشکی	10203892	18x6.7 mm	1000 mm	48V	18W
Accessory	اکسسوری مگ وی ریل سفید	10203893	18x6.7 mm	1000 mm	48V	18W

Accessory Mag Way Rail

اکسسوری مگ وی ریل

The magnetic track light is a kind of light fixture installed on the track is composed of an aluminum shell, copper conductor and iron sheet. When the luminaire with magnet is close to the iron sheet in the track, the luminaire will be adsorbed on the track without any tools, and at the same time the luminaire is in contact with the copper conductor, then powered by an AC220-110V to DC48V transformer for the whole track lighting system.

Mag Way Driver

اکسسوری مگ وی درایور

The magnetic track light is a kind of light fixture installed on the track is composed of an aluminum shell, copper conductor and iron sheet. When the luminaire with magnet is close to the iron sheet in the track, the luminaire will be adsorbed on the track without any tools, and at the same time the luminaire is in contact with the copper conductor, then powered by an AC220-110V to DC48V transformer for the whole track lighting system.
